March 23, 2024

Mr. Michael Furgueson, Chairman  
Inlands Wetlands Commission  
Essex Town Hall  
29 West Avenue  
Essex, CT. 06426

Dear Mr. Furgueson,

Pursuant to the Memorandum of Decision of the Honorable Judge Cynthia Swienton, dated March 13, 2024, Southwinds Association, Inc. hereby gives consent and authorization to allow the removal, restoration and/or remediation on the relevant portion of the Southwinds Association property as described in such Decision.

Pursuant to Southwinds Association, Inc. "Amended and Restated By-Laws," Article III., Section 6. the Association board approves access to its open space contiguous to 32 Birch Mill Trail, consistent with the March 13, 2024 Memorandum of Decision.

Without impairing the consent and authorization granted, the Associated requests, to the extent practicable, the name and insurance information of the licensed and insured contractor that may perform any such removal, restoration and/or remediation on the Association property pursuant to paragraph 9 of such Decision.

It is our understanding that the work is to begin on, or after May 1, 2024 and conclude no later than October 1, 2024.

Sincerely,

A handwritten signature in black ink, appearing to read "George Sexton", written in a cursive style.
